

LATEST NEWS OF SPORT IN ALL ITS BRANCHES.

OLD FOX DIDN'T FOOL THE TALENT.

GALLOPED HOME EASY WINNER IN STEEPLECHASE.

Henry of Franconia, consistent performer, won second event.

(Special to The Evening World.) NEW ORLEANS, La., Jan. 27.—Early this morning it looked as if the racing would be held on a heavy track. Rain fell at intervals, but at no time was it very heavy, consequently the track was in good condition. On top of the track was wet and slippery, but underneath it was hard and dry, owing to no heavy rains having fallen for several weeks.

The card which was to furnish the day's sport was an evenly matched one, with large fields and very few scratches, and there was a bright outlook for the racing.

The fourth race, which was a handicap at six and one-half furlongs, was the only race that suffered, as it had only six acceptances, and when Sevey and Uter were withdrawn only four were left in the race.

The cold threatening weather failed to keep the crowd away.

IMPORTANT WEEK FOR GOLFERS.

TWO ANNUAL MEETINGS ARE SCHEDULED.

Courses on which two championship events will be decided to be named.

The coming week will be an important one in local golf circles. Two annual meetings of more than usual interest are to be held, the Women's Metropolitan Golf Association Tuesday and the Men's Metropolitan Association on Friday evening at the Metropolitan Club. Besides the election of officers, plans will be made for the season and the two championship courses in both cases will probably be announced.

The card which was to furnish the day's sport was an evenly matched one, with large fields and very few scratches, and there was a bright outlook for the racing.

The fourth race, which was a handicap at six and one-half furlongs, was the only race that suffered, as it had only six acceptances, and when Sevey and Uter were withdrawn only four were left in the race.

KNICKERBOCKER A. C. SWIMMERS TRAIN FOR SATURDAY'S RACES IN THE TANK.

A RACE IN THE KNICKERBOCKER A. C. TANK.

Knickerbocker A. C. swimmers are preparing these days for the coming aquatic competition to be held in the club tank next Saturday night. As a result, some lively scenes are enacted each afternoon by those training there under the direction of Prof. Alex Meffert.

It was during one of these "training spells" that the accompanying flash-light was taken by an Evening World photographer. Four swimmers, including Prof. Meffert, were racing to the end of the long tank. They were full of action, and were fighting the waves that had been churned up by their plunge at the start.

The smaller picture shows Prof. Meffert speedily sending himself through the water with his famous side-stroke.

A feature of Saturday night's card of races is the 100-yard invitation event in which it is expected E. Carroll Schaefer, the champion, will swim against Le Moyne, the Brookline, Mass. swimmer. There are other events on the programme, among distance, or what is commonly known as "fetching."

BALL PLAYERS MADE MONEY.

Members of All-American Team Earned \$700 Each.

CHICAGO, Jan. 27.—Ten baseball players, headed by Napoleon Lajoie, comprising the All-American team, have returned to this city from their tour to the Pacific coast and the trip was a big success, each member of the team clearing more than \$700.

The players were Harry Davis, first base; Lajoie, second base; Bradley, third base; Irwin, short stop; Pickering, left field; Bernhardt and Fraser, pitchers; and Sullivan, catcher.

SPEEDWAY NOT IN SHAPE.

Few Drivers Took a Chance with Their Steppers Yesterday.

To the great disappointment of hundreds of road drivers, the Harlem River Speedway was unfit for any fast driving yesterday, owing to the fact that the ground had frozen over night, leaving the road in a state of deep ruts, making the footing exceedingly dangerous.

Many drivers came to the head of the course at One Hundred and Fifty-sixth street, and stopped their trotters down the median, but went no further.
